Re: Pure Digital Technologies, Inc. – Transfer of Patent Matters

Dear Mr. Carey:

We have been instructed by Kevin McLintock of Pure Digital Technologies, Inc. to transfer the above referenced case to you. Attached is a copy of the letter (via email) from our client dated June 12, 2009, providing authorization for this transfer.

Please come pick up the relevant physical paper records per your email for the active files being transferred. Once received, we request that you provide confirmation of receipt of the enclosed materials by reviewing the enclosed "Confirmation of Receipt of Transferred Material" form, signing and dating, and returning the original form to us at your earliest convenience.

Please be advised that Rutan & Tucker, LLP ("Rutan") assumes no further responsibility for these matters, including, but not limited to, future prosecution, the payment of any fees, e.g., maintenance fees, renewal fees, and any annuities for domestic or foreign cases, or other fees. Rutan does not maintain paper or electronic copies of these materials, files, and matters. We will take no further action in these matters.

We will not retain deadline items in our docket system and will take no responsibility for reminders on such deadlines. We recommend that you independently verify and establish the status of all items in addition to all docketing deadline items and dates.

We ask that you handle any action required for these matters, for example the filing of appropriate documents to appoint another representative or ensure that future correspondence is sent directly to you. Please be advised that the failure to take action and/or meet deadlines may result in the permanent loss of rights. Independently, we will take steps to effect an official withdrawal for this matter.

This file is being transferred with the understanding that access will be provided to Rutan & Tucker, LLP should the need arise at a future date.

If you have any questions regarding this information, please feel free to contact me at tferrill@rutan.com.

Best regards,
